Review file for Word (ED-005 section 9.2)

Made by the docx4j editor in a room: its revisions by Author A and Author B through the editor, and by Claude through the companion's tools. Compare Word's Reviewing Pane with review-for-word.txt, save this file untouched, then Accept All and save, then Reject All and save.

1. Text inserted and deleted by two authors

The quick brown fox jumps over the very lazy dog near the ~~old~~ stone bridge.

2. An insertion deleted by another author

Cows graze in the ~~green~~ field beside the river.

3. Typed over a selection

The notice period is ~~7 days~~14 days from delivery.

4. Run formatting changed

The word **alpha** becomes bold and the word bravo becomes larger.

5. Paragraph properties changed

Centre this paragraph.

Indent this paragraph.

Give this paragraph the style Heading 2.

A Heading 2 already in the file, for comparison

6. Paragraph marks inserted and deleted

Split this paragraph after the colon:

the rest becomes a paragraph of its own.

Join this paragraph with the next one.

This is the paragraph it joins.

7. Table rows inserted and deleted

Row	Action	Note
1	Keep	stays
2	Keep	a row goes below this one
new	new	new
~~3~~	~~Delete~~	~~this row is deleted~~

The paragraph after the table.

8. Inline items inserted and deleted

Left~~————~~right: the tab between them is deleted. A tab goes after this colon:_____ and a footnote at the end of this sentence[1].

The footnote on this sentence is deleted[2].

9. A list started, and a link

I. This paragraph becomes a numbered list item.

The docx4j site is linked here.

10. Replace all

The ~~colour~~color of the sky and the ~~colour~~color of the sea.

11. The parts, changed through the parts panel (untracked)

The headings' ~~colour~~color, the numbering format of the list below and the default tab stop were changed by an Apply, which Word does not track.

I. The first item of a list the engine made.

II. The second item.

12. The agent's edits

~~The tenant pays rent monthly in arrears.~~

[1] A tracked footnote.

[2] A footnote whose reference is deleted.

Rent

The tenant pays rent **monthly** in advance, as the lease says.

- The first obligation.
- The second obligation.

Notice must be given within ~~30 days~~60 days.

13. Comments

Author A comments on this sentence, and Author B answers. Author B comments on this sentence alone. This sentence carries a comment that is deleted.

A comment by Author A runs from here

to here, over two paragraphs.

Commented [C1]: Changed from arrears, as agreed.

Commented [AA2]: A comment by Author A, replied to and resolved.

Commented [AB3R2]: A reply by Author B.

Commented [AB4]: A comment by Author B.

Commented [AA5]: A comment by Author A over two paragraphs.
